Respectfully Sheweth:-

That your memorialist is a Licenciate in Indian Medicine having qualified himself as Medical Practitioner in the year 1933, and has since then established himself in Mangalore as a private practitioner.

That the Mangalore Municipal Council maintains two Ayurvedic and one Unani dispensaries and the two Ayurvedic dispensaries are in charge of a I Class ande II Class medical practitioner of Government Indian Medicine School respectively.

That when any of these two Physicians in charge of the Ayurvedic Dispensaries fall sick or go on leave on other business a substitute is necessary and the Municipal Council having found memorialist the best fitted candidate for the purpose was pleased to appoint him, when such an acting vacancy occured for the first time in January, 1937 and since then on two other occasions, memorialist was similarly appointed to fill up acting vacancies.

That on all these occasions your memorialist may be permitted to submit, acted to the entire satisfaction of all Inspecting Officials and the patients served by the dispensary.

That while he was acting for one of the Ayurvedic

Physicians for the last time, his date of birth was called for and he gave it as 5-9-1908, and thereafter the Commissioner was pleased to inform memorialist that his appointment was being objected to by the Inspector of Local Fund Accounts on the score that memorialist's age is above 27 years.

That whether there is any rule or Government order restricting the age limit to 27 years of qualified Physicians to be appointed to Municipal Ayurvedic dispensaries or not, your memorialist is ignorant of, but he begs to submit most respectfully that Government may be pleased to relax the rules restricting the age limit in favour of the memorialist, as he was appointed to acting vacancies on three previous occasions without being objected to and he has served with satisfaction to all parties concerned on those occasions.

That at the time when he consented to take up temporary vacancies to prevent embarassment to the Municipal authorities in getting a substitute at the sacrifice of his private practice, there were no qualified L.I.Ms., available.
